

# CONTRACT RESIN FURNITURE

All of the items in our Contract Resin Furniture Collection are made to be UV Resistant, easy to clean and almost maintenance free. Our dining chairs are made from commercial grade resin with either aluminum legs or gas injection resin molded legs. These chairs can be paired with almost any outdoor or indoor table creating an array of different looks suitable for your space. So elegant that it is suitable for indoors, so durable that it is used outdoors. All dining chairs are stackable and perfect for heavy use areas. All chairs have a one year limited warranty on the workmanship and materials under normal commercial use.

The Windward, Dune, and Brio collection create a clean look with tone on tone frame/fabric combinations, or something very contrasting to make a statement. There is sure to be a suitable sling fabric in our extensive fabric selection to suit any desired look. Paired with our recycled Marine Grade Polymer frame, this collection stands out from the competition. The Brio collection can create whatever sectional arrangement you desire. All chairs have a five year limited warranty on the workmanship and materials under normal commercial use.
