Grand Wailea Resort, Maui Hawaii
9' Fiberteak Market Umbrella

Our Frames

Our heavy-duty Automatic Tension-Loc Umbrella Frames are the best quality available in the marketplace today. Designed and engineered for the rigors of commercial environments, contract-quality Automatic Tension-Loc Umbrellas offer the finest balance of engineering, durability, ease-of-use and aesthetics. They are built of strong tubular aluminum and stainless steel hardware throughout.

Our Fabrics

Our Sunbrella® furniture fabrics have a beautiful luster and texture. Sunbrella® fabric is made from 100% acrylic fiber, so it's tough. It resists sunlight, mildew, rot and atmospheric chemicals. The fabric is coated with a soil and stain resistant finish that makes for easy cleanup in commercial use.

Your Tension-Loc Umbrella Frames comes with a 15 year structural warranty. Your fabric, a 3 year warranty - limited to the original end use. Spare parts are available.
