Professional Grade Furniture

Aluminum Frame - Restaurant Seating

Chairs, Bar Stools, Tables & Bases

Our Aluminum Furniture is an ideal metal for outdoor use. Due to its non-oxidizing properties - your investment is sustained for the long-term. We use a core of seamless virgin aluminum extrusion - the heaviest, purest and strongest available. The wall thickness of these frames surpasses the industry's most rigid standards.

Your frame comes with a 1 year structural warranty - limited to the original end use.
