

# RATTAN-DESIGN ALUMINUM FRAME SEATING

Our Rattan-Style Aluminum Seating has all the benefits of aluminum with a beautiful faux-rattan/bamboo finish in a resilient powder-coat. We use a commercial grade aluminum tubing (.065") painted with a multi-stage powder coating process.

Drape frames in your choice of Woven Resin or Woven Nylon Seat finishes in your choice of color and style. Complement these chairs with the stylish matching bases & sturdy molded-melamine faux-stone tabletops.

Our outdoor wicker is constructed using cutting edge synthetic fibers, hand woven over an aluminum frame. With this combination of resilient, weather-resistant materials and quality workmanship, Contract Furniture Wicker will last for years.

Your frame comes with a 1 year structural warranty - limited to the original end user.

Palm Restaurant, L.A. Live, Los Angeles, CA  
Pensacola Side Chair
