# Resin Titanium-Alloy Furniture

## Chairs & Bar Stool

Our titanium-alloy hospitality furniture features clean lines and solid construction. Frames are carved from large blocks of Andure®, titanium resin-alloy. Andure® development arose out of work done for NASA's solar collectors. This sustainable investment will never peel, chip, fade, crack, yellow, or require painting.

We deliver to you unassembled, flat in cartons, and most items assemble without hardware or tools in less than 5 minutes.

Your frame comes with a 3 year structural warranty - limited to the original end use.
