

# HOLSAG CONTRACT CHAIRS

Our Holsag chairs are made exclusively from European Beech hardwood. The mortise and tenon wooden components are glued, pinned and screwed for sturdy assembly. All chairs are hand-sanded, stained and hand-wiped to ensure even distribution. The final step involves applying a catalyzed lacquer for a fine and durable finish. The in-house upholstery shop can accept COM or choose from our selection of fabric and vinyl.

Chairs and bar stools also available with wheels or casters for healthcare usage.

Your frame comes with a 1 year structural warranty - limited to the original use.
