

ITALIAN STYLE BONDED LEATHER

Sleek, Modern, Efficient:

These are the words that describe our Italian style bonded Leather Collection. Recycle, Reuse and environmentally friendly are also words to describe the collection. We upholster various beech wood frames with machine stitched bonded leather seat pads giving the collection contemporary Italian flair.

The pads are available in three standard colors: Ecru, Black and Espresso. The frames are available in most stain colors featured on page 142. Custom pads colors are available.
